Canada Tightens U.S. Money Control

OTTAWA, May 26.—(CP)—Finance Minister Abbott announced today a change in the foreign exchange control regulation reducing from \$100 to \$10 the amount of United States currency any Canadian resident may hold or take out of Canada without a travel permit.

Object of the change is to ensure that the United States currency earned in Canada through the tourist traffic will be turned over to the foreign exchange control board and "thus be available to meet the needs of Canadian economy."

The change will come into effect after a short initial period.

In a statement the minister emphasized that no change was being made in the policy of making "any reasonable amount" of US funds available to Canadian residents for legitimate travel purposes.

As in the past, residents would obtain necessary funds and permits for this purpose from the foreign exchange control board through the banks.

MR. ABBOTT also emphasized that the new regulations would not affect the freedom of American tourists to bring funds into Canada or to take home money not spent during their stay in the Dominion.

Previous regulations had permitted Canadian residents to retain up to \$100 in U.S. currency and to use it for travel purposes without the necessity of obtaining a permit.

The limit had been proposed when the foreign exchange control regulation was being drafted and had been put into effect last September for a trial period.

When the regulation was adopted, the statement continued, it was "not contemplated that it would result in any substantial accumulation of U.S. currency in Canada."

In practice, however, it had been found that "considerable sums of the money spent in Canada by American tourists were being held by individuals rather than being sold to their banks in Canada."

SOME RESIDENTS had "taken advantage" of the regulations to acquire and use U.S. currency for unauthorized purposes.

The purposes of the changes now made is to ensure that the money made in Canada by

Leduc No. 4 Well Showing Promise

Evidence of dry gas and slight showings of oil stains were reported Monday from Imperial's No. 4 Leduc well, now at 5322 feet after having drilled into 17 feet of porous formation during the week-end.

SINCE SATURDAY crews on this well have been trying to get a definite test of its productive possibilities at the present depth but mud was not in a good flowing condition and difficulties have been experienced in getting the packer to set.

To add to trouble a drill bit broke. Repairs were being made and it is hoped the test will be possible this afternoon, officials said.

Officials were confident the well would produce, but it will be necessary to determine if it will be necessary to drill deeper.

If successful in obtaining a crude flow from the No. 4 hole it will be the fourth Leduc well to show promise to come into production.

No. 1's discovery well came in Nov. 13 and the "twins" No. 2 and No. 3 came in within 12 hours of each other last Wednesday.

THE LATTER wells were closed off Saturday for an operation known as a bottling-in, in which data is obtained on production flow potential, rate of production, mud pressure and other information the probable crude reserve of the formation.

Leduc No. 5 is at 3172 feet, Morville No. 1 is now at a depth of 2244 feet. No. 6 is undergoing cellar-digging work in preparation for the rig and equipment from which it comes in. Leduc No. 1 was spudded in Sunday afternoon and is down 221 feet. Roads are being built into the Battle Lake No. 1 site and crews are still struggling to shut off flow of water at the imperial site near Inverness. The No. 1 well under construction is producing 172 barrels a day, it was reported.

Greek Relief Drive Is Extended for Week

The appeal for Canadian Relief to Greece campaign will be continued at least another week, it was announced Monday. The campaign to raise \$150,000 across Canada also has been extended.

Northern Alberta contributions reached \$2,524 over the week-end. This is far short of the \$40,000 objective and committee workers are redoubling efforts this week to obtain subscription lists.

Of the latest donations was \$50 from the Kinsale club of Edmonton. Contributions from residents in Leduc, bedford, Thursday, Fort Saskatchewan and Fairview districts.

DISEASE AND malnutrition among the people of Greece can not be fought with the medicine now being used at hand and outside help is needed immediately. The work in Canada for some of this help.

In Full Spirit of United Nations Charter Western Hemisphere Military Co-Operation Asked by Truman

WASHINGTON, May 26.—(CP)—President Truman today asked Congress for authority to arm, equip and train the armed forces of Western Hemisphere countries. He said the collaboration proposed by the bill "could be extended also to include Canada whose co-operation with the United States in matters affecting their common defence is of particular importance."

WASHINGTON sources said Canada would be included more for "symmetry" than for any other reason since the kind of co-operation with Canada envisaged by the president has been going on to all practical purposes since 1940.

Passage of the proposed legislation, these sources said, would make no immediate practical change in the U.S.-Canada relationship.

Manitoba led the provinces with four deaths recorded, four people killed in Ontario and British Columbia, two in Nova Scotia and two in Quebec.

Near the fishing village of Metcalf, N.S., Alberts Salts, 25, of St. John's, N.S., and James Melanson, 21, of Combsville, N.S., were drowned when their boat capsized.

U.S. Must Rush Food to Europe

WASHINGTON, May 26.—(AP)—The United States must rush maximum quantities of food to Europe, it was urged today by the wide-spread violence and rioting in London, said the secretary-general of the International Emergency Food Council, said today.

Fitzgerald said the food shortage abroad between now and fall harvest will be at least as critical as last year, when emergency action was taken to provide relief.

He added in a report to the council that shortages in some areas are considerably lower than last year, but that the cumulative effect of these food shortages is becoming more and more serious, nutritionally, economically and psychologically.

The big need until harvest time is for cereals, Fitzgerald told the council. To meet this need, he said, the United States and Canada would have to ship 3,000,000 tons (about 180,000,000 bushels) during the September period.

He described this as the maximum that can be expected from these countries.

Queen Mother Is Honored

LONDON, May 26.—(AP)—The Royal Family were guests at the 80th birthday anniversary today with a Buckingham Palace luncheon. The Duke and Duchess of Windsor were not there but Lady Philip Mountbatten, often mentioned as the future husband of Princess Elizabeth, was.

Large crowds gathered outside the palace during the afternoon and the royal old lady appeared on the balcony with the King, Queen Elizabeth and other members of the Royal Family.

The Duke of Windsor's absence was not explained officially. He visited the Queen Mother earlier in the day.

10 Persons Injured Here at Week-End

One man was killed and 10 other persons injured in 15 traffic accidents which occurred in the Edmonton district during the holiday week-end.

KILLED

Hugh E. McPhedran, Whitecourt.

INJURED

Jack Smith, Scona Apartments.
 Mrs. J. Smith, Scona Apartments, and 6-year-old daughter, Margaret.
 Ernest Bugg, 7745 80 avenue.
 Ronald Gressel, 10340 148 street.
 Mrs. A. Hanson, Allan Hlack.
 Margaret Zeile, 15, 9910 51 avenue.
 Mr. and Mrs. Harry Zeile, 9851 78 avenue.
 Mrs. Hilda Rand, Glenview.

McPhedran, Edmonton's third fatal traffic victim this year, met death about 7:35 a.m. Monday when the auto he was driving crashed into the rear of a stationary RCAF tractor truck on 104 avenue between 109 and 110 streets.

LAC A.G. MORRAN, NWAC, driver of the air force vehicle, said he was travelling west on the avenue when he noticed the cab of his truck getting warm, and then saw smoke coming through the floor boards.

He said he immediately stopped, got out and went to the rear left hand corner of the truck for the fire extinguisher then heard "Benda stand ready to sweep over all of Europe in case we drop atomic bombs on Russian territory," the former vice-president also told an audience here.

James A. Brice, 1008 108 street, a passenger with Morran, said he left the vehicle and ran to the right rear corner for a fire extinguisher. He told police he saw

Woolridge Guilty On Reduced Count

VANCOUVER, May 26.—(CP)—Twenty-year-old Malcolm Woolridge, accused of the gun slaying of his wife, Vivia, March 1, was found guilty of manslaughter by a Supreme Court jury Friday here.

The 12-man jury brought in the verdict after a 12-hour deliberation.

He said the quarrel with his 22-year-old wife was precipitated by his disdain for her and her child and her taunts about going to live with another man. She had told him "don't give a damn what you do about the boy."

Professor Dies

Professor at the University of Alberta for 28 years, and founder of the soils department of the faculty of agriculture, Dr. Franklin A. Watt died suddenly at a city hospital on Saturday evening. He was 61 years old.

BORN IN WELLSVILLE, Utah, in 1886, he began his lifetime career with soils at the College of Agriculture, Logan, Utah. Coming postgraduate work at the University of Illinois in 1915, he remained on the staff of that university until 1919, when he came to Alberta.

Upon his arrival at the University of Alberta, he founded the soils department of the faculty of agriculture, with which he has been connected ever since. Active on any project related to soil, he has conducted research on provincial soils for many years, and has written extensively on the subject. He had drafted private farm research for many years, and has acted as a consultant on soil matters since 1938, and has received numerous honors.

High Marks Scored Music Festival Ends At Week-End Sessions

Final competitions of the Alberta Musical Festival took place Friday and Saturday in McDougall United Church. Many fine performances were given by contestants, and Adjudicator Cornelius Fisher and Stanley Royer were "well pleased" with all performances.

LADIES' QUARTET, class 38, was won by Pat Oia, Elaine, and Harriet, of Lethbridge, with 38 marks. Laverne, Dora, Margaret, and Catherine, Lethbridge, placed second with 35. The Cavendish quartet scored 30 marks. Laverne, Dora, and Margaret, Lethbridge, placed first in the ladies' trio with 30 marks, in what the adjudicator described as the "best performance" heard anywhere. Cavendish trio No. 2, 38 marks, Cavendish No. 1, 34, Cavendish No. 3, 35, and the Metropolitan trio, 35, were other competitors.

LYRIC SOPRANO, class 38, was taken by Beatrice M. Cull, Lethbridge, with 172 marks. Lana Chin, 167, Marie Tonkin, Lethbridge, 171, Ruth C. Drew, 170, Betty Christian, 138, Ruth Gillis, 135, Rose Marie Lacey, Medicine Hat, 165, and Lyle Watson, 168, were other participants in this division.

THERE were two entries in the dramatic soprano class: Vivian Miller, Medicine Hat, who scored 137 marks, and Gloria Swanson, also of Medicine Hat, who received 162. Lois Karvan placed first in the mezzo soprano class, scoring 177 marks. Lorraine M. de Caze, Calgary, was second with 172 marks. Ann McKenna, Medicine Hat, 142, Elsie Korshinsky, 135, Dorothy Clark, 133, and Mollie Dwyer, Red Deer, with 170 marks, also competed.

Friday evening singing by the Edmonton chorus competition for the Henry Shield, the Robert Hulen Melody Mads Medicine Hat, were first with 176 marks. The Cavendish choir received 114 marks.

IN THE WOMEN'S chorus competition for the Henry Shield, the Robert Hulen Melody Mads Medicine Hat, were first with 176 marks. The Cavendish choir received 114 marks.

During his short visit he will confer with Maj. Gen. F. F. Worthington, CBE, MC, MM, RD, general officer commanding Western Command, and Air Vice-Marshal K. M. Guthrie, CBE, CM, air officer commanding North West Air Command.

They will discuss the already amalgamated army and air force commands, and possibilities of further integrating other army and air force services.

Maj. Gen. Rodger is responsible for military supplies, provision of materials for army engineer and service corps and the planning of military installations.

City Man Overcome By Carbon Fumes

A narrow escape from death due to carbon monoxide fumes was experienced about 1.05 a.m. Sunday by B. Bernstein, 10350 122 street. The fact that he was discovered so quickly is all that saved his life.

Police said they believed Bernstein was endeavoring to repair the lights on the dashboard of his car and had left the motor running and the garage doors closed.

Mrs. Bernstein found her husband lying on the garage floor and her screams soon brought help. Bill Currie, 10350 122 street, arrived on the scene and applied artificial respiration, while Jay Glenier, 114 street and 180 avenue phoned the city ambulance.

Two ambulance men, Harold Abbott, 975 75 avenue and L. J. Histo, 10615 Jasper avenue, rendered first aid with the pump and removed Bernstein to the Materdordia hospital.

Monday hospital authorities reported he was recovering quickly from his experience.

Plenty of Excitement For Empire Day Holiday-Makers

Shown above at the top, is a general view of the "jalopies" as they finished the first lap of the first race in the Model-T race meet at the Exhibition Grounds on Saturday afternoon. Lower left is Tommy Villetard, Northern Alberta champion, speeding around the second bend in the last race.

Villetard Again Wins Model-T Meet Honors

Raised one of the top-notch "jalopy" drivers in Alberta for the last few years, Tommy Villetard, driving the Dittich entry in the annual Model-T race meet, won the Hudson's Bay trophy and the Northern Alberta championship for the fourth successive time Saturday afternoon as a holiday crowd of 10,500 looked on at the Exhibition Grounds.

Highlight of the four grueling tests over a rain drenched track was the final race with Villetard of Edmonton and Stan Reynolds of Wetaskiwin fighting it out for the major honors.

Tommy succeeded in taking an early lead which he held until the end, but Stan thrilled the crowd when he made a final drive to come within 12 feet of winning top honors. Tommy Fraser was third and Gavin Breckreave fourth in the major event.

Awards will be given to the drivers on Thursday at the regular luncheon of the Lions Club in the Macdonald hotel.

The FOUR-RACE meet was sponsored by the Lions Club of Edmonton, and Len W. "Bill" Anderson was general chairman of the races committee. The event was the most successful ever staged in Edmonton, as it was not marred by any major accidents.

The final race was the closest ever witnessed here.

Immediately after a breath-taking crash through the fence, after placing second in the third race, Gordon Rasmussen of Standard, driving the United Builders entry,

Holiday Enjoyed By Edmontonians

The weather man was kind to Northern Alberta for the first holiday of the 1947 summer season and thousands of Edmontonians enjoyed the May 24 weekend in a variety of ways.

Widely scattered showers on Saturday failed to dampen the enthusiasm of fun-seekers, as more than 10,500 gathered at the Edmonton Exhibition grounds to watch the annual Model-T races and also to take advantage of the opening of Borden Park.

All other city parks were officially opened Saturday, too, and the city's recreation commission playgrounds swung into a vigorous season of action.

CITY SWIMMING pools had been open for a week, and were also thronged with holiday-makers.

On Saturday evening, youngsters who were too young to remember when a patriotic holiday was enlivened by pyrotechnics, were delighted with the acres of sparks and colored fireworks.

During SATURDAY baseball fans saw the Edmonton senior Eskimos twice defeated by Calgary's Blues. The performance was repeated once on Sunday.

Other sporting events filled the calendar. Golf courses were busy, tennis courts filled with enthusiastic players and lawn bowling activity got under way at all city greens.

A number of motorists and their families visited the country, though the weather was not ideal for the picnic of the year at Northern Alberta's beaches. Reports indicate that all beaches were thronged.

Final touches were given to gardens, too. Vegetables likely to be affected by frost were put into the ground, in accordance with old time custom that they should be sown on or about May 24.

He will be accompanied on his tour by Mr. Macpherson, highway commissioner.

The Calgary-Edmonton road is being black-topped between Elberta and Leduc. Mr. Fallow said, Traffic is being accommodated during the work by "flag men."

Three crews are working on the Jasper highway west of Edmonton, but the major portion of the work between Edmonton and Stony Plain, all of which is to be rebuilt has not yet been started.

Little Concerned By Announcement

Since most of the provincial Alberta who had previously supported the independent party had pledged themselves to support the Liberal party, little surprise was occasioned in Liberal circles in Alberta by the announcement by J. Percy Page, independent leader, that the party was withdrawing from the provincial field.

J. W. Stambough, Bruce, president of the Alberta Liberal Association, expressed this opinion in a statement on Monday.

More than a year ago the Liberals had decided at a meeting of the organization's provincial committee to cut itself adrift from the independent party and to contest the next provincial election "on its own."

Another highlight of the evening was the performance of Betty Jean Hagen, Calgary, violinist, accompanied by Mr. Fisher at the piano. They chose the selection "Pavane in A." This was Mr. Fisher's final contribution to the festival and both he and Miss Hagen were accorded loud applause by the audience.

Dolly Thack, playing the Jugger in a violin solo, was another performer who received big ovation.

A NOVELTY number that greatly pleased was the performance of the Edmonton College kindergarten class, under the direction of L. H. Beau.

Betty Hutchinson and Lois Nelson were tied for the highest marks in the speech arts division. Both received 100 per cent.

Competition Winners Perform 40th Annual Music Festival Concludes at Grand Concert

Before a crowd of about 2,100 music lovers, winners of special awards and high marks at the 40th annual Alberta Music Festival, displayed their talent at a grand concert in McDougall Auditorium Saturday evening.

HIGHLIGHTS of the evening came when His Honor Lt.-Gov. J. C. Bowen presented awards to winners of various festival events. Mr. Bowen commended participants on their fine performance and also commended the Alberta Music Festival Association for the work being done to further interest in music and speech arts in the province.

Addresser Cornelius Fisher thanked the association for the privilege of addressing the festival. "It was a very fine festival and it was a great pleasure to be here," he said.

Mr. Fisher left his Saturday night return trip to Leduc. The Bulyes Cup, awarded for the most artistic performance in choral classes, was presented to the All Saints choir, singing in its repertoire, O Thou, The Central Orb, and Jesus, How Sweet.

Lois Karan was winner of the Sherrin trophy for the best individual performance in vocal solo classes. Miss Karan won her award for singing The Solitude of Happy Days, and A Gypsy's Confession.

SOUTHERN senior girls were winners of both the Calgary Gypsy Club cup, and the Harry Thompson Memorial trophy, for their performances in the festival. The chorus presented, O, Faith With God on Saturday night's program.

For his violin rendition of Theme and Variations, Op. 37 No. 1, Robert Chromawski was awarded the Patrick Shield. His playing was described as "very fine indeed" by Mr. Fisher.

Edmonton Musicians' Guild "A" band, led by Lillian Hunter for his plans offering of "Rodeo from the Third Movement," Sonata in B flat, and Rhapsody, Op. 38 No. 2. Miss Kender received a tremendous ovation for her performance Saturday night.

Lorraine Rutledge was winner of highest marks in piano classes and was awarded the Matthews Music House Shield. Miss Rutledge performed Saturday night, the second round and Song Without Words.

ARTHUR BRITTON, Calgary, violinist, was winner of the Edmonton trophy for his playing of the violin. He was awarded highest marks in instrumental classes.

Following is a list of scholarship winners: Instrumental division - Pearson Broadcasting Co., won by Lorraine Rutledge, Edmonton Branch of the Alberta Music Festival, Kester Heintzman and Co., Donna Diaper, Calgary; Women's Musical Club, Harlan Green, Hudson's Bay Co., Betty Jean Hagen, Calgary; Kewanee Club, Robert Chromawski.

A NOVELTY number that greatly pleased was the performance of the Edmonton College kindergarten class, under the direction of L. H. Beau.

Betty Hutchinson and Lois Nelson were tied for the highest marks in the speech arts division. Both received 100 per cent.

On Saturday night, Miss Hutchinson chose Song as her selection, while Miss Nelson recited "The Storm is Over."

Grade 11 of St. James School, under the direction of Mary Stewart, was winner of highest marks in choral speaking classes.

Winners of highest marks in school choral divisions 2 and 3, Oliver School, directed by R. G. McDougall, and King Edward School, under direction of Miss L. Parnell, performed. Oliver School chose "I'm Only With 'Thine Eyes and Morning and Evening, The Year 'At The Spring was the selection by King Edward School.

Company Has Planned Role B-A Official Hopeful Over Leduc Prospects

Extremely hopeful that a major producing oil field has been opened up in the Leduc area, British American Oil Company Ltd., an all-Canadian owned corporation, plans to "actively participate" in the full development of the area, J. Gerry Godsoe, Toronto, executive vice-president of the company said here Monday.

AS TO THE planned role of the British American company in the Leduc district, Mr. Godsoe said: "British American Oil Company has associated, and are associating themselves with those who have acreage, and you can be assured that we are going to actively participate in the development of the Leduc area. We have a number of prospects under review, where the development of recent months near Leduc, have brought a shift of exploration work by the company in the sector to the northern sections of the province."

The official said he could not reveal several geological surveys the company is working in various sections of the province. Mr. Godsoe revealed that the development of recent months near Leduc, have brought a shift of exploration work by the company in the sector to the northern sections of the province.

In the meantime the company has several geological surveys the company is working in various sections of the province. Mr. Godsoe revealed that the development of recent months near Leduc, have brought a shift of exploration work by the company in the sector to the northern sections of the province.

"If the Leduc field should develop into a major producer, we would have to either increase present refinery capacity or build a new refinery. We have to build another refinery Edmonton would certainly not be overlooked as a possible site," Mr. Godsoe declared.

He admitted there is also the possibility of a pipe line being constructed if Northern Alberta should become a major oil producer.

He reiterated intentions of the company, previously announced, to expand storage facilities and company premises in Edmonton, where it is planned to spend about \$100,000 just as soon as materials become available.

"Edmonton is our key distribution centre for the whole north country," he stated.

Mr. Godsoe, who was co-ordinator of controls and chairman of the wartime industries control board, believes the decentral policy of the federal government is an "intelligent" one.

He does not look for much additional increase in prices. Actually he thinks the peak will be shortly followed by a downward readjustment of prices.

Mr. Godsoe is conferring with company representatives in the west and holding informal meetings with staffs in western centres. With him on the present tour are: W. J. Sanford, Calgary, manager of the Alberta division for the company; Allan Cockill, director of industrial relations; and J. H. Turpin, director of public relations, both of Toronto.

Robertson United Church Scene Anderson-Rogers Wedding

Robertson United Church, decorated with spring flowers, was the scene of a double ring wedding ceremony Friday evening when Miss Marion Jane Rogers, only daughter of Mrs. Marguerite Rogers, of Edmonton, was married to Allister, Robert Anderson, only son of Alexander Anderson, of Calgary and the late Mrs. Anderson. The Rev. E. T. Scragg performed the ceremony. Prof. John Humeckling played the wedding music and Mrs. J. Armstrong sang "O Perfect Love, during the singing of the register.

THE BRIDE was given in marriage by her great uncle, Robert W. Robertson of Loughheed. She wore a gown of white embroidered nylon net fashioned on Empire lines, with a full skirt and a bodice having a square neckline and short sleeves, with which were worn matching mittens. Her long veil of English lace was held in place with a coronet of seed pearls and she carried a bouquet of red roses and Galla lilies. Her only jewelry was a pearl necklace, gift of the bridegroom.

Miss Barbara Sinclair and Carol Ann Addeman of Calgary were bridesmaids. They wore gowns of aqua sheer and gold sheer respectively, headpieces to match, mittens to match and carried colonial bouquets.

BEST MAN was David W. Gaul and ushers were Jack Sharp and Harry A. Sholl.

Mrs. Rogers chose for her daughter's wedding a navy blue crepe dress trimmed with white lace and a black hat trimmed with pink roses. Her corsage was of Sweet heart roses.

A reception for 70 guests was held after the ceremony when the bride's table was set with a lace cloth and centred with a three-

MR. AND MRS. ALLISTER ROBERT ANDERSON, who were married at Robertson United Church Friday evening with the Rev. Dr. E. T. Scragg officiating. The bride is the former Miss Marion Jane Rogers, only daughter of Mrs. Marguerite Rogers, and the bridegroom is the only son of Alexander Anderson of Calgary and the late Mrs. Anderson.

Ott-Nixon Wedding Is Held At All Saints Cathedral

Spring flowers and ferns and the guests were marked with pink and white ribbons was the setting for the double ring wedding in All Saints Cathedral Friday evening of Miss Joyce Lily Nixon, eldest daughter of Mrs. Hertha Nixon, and Samuel Lawrence Ott, youngest son of Mrs. Emily Ott, all of Edmonton. The Very Rev. Dean A. M. Trendell performed the ceremony.

GIVEN IN marriage by her brother, Stanley Nixon, the bride wore a light gray wool dress with pale blue accessories and a pearl necklace. Gift of the bridegroom she carried a nosegay of pale pink Sweetheart roses and lilies-of-the-valley.

Sister of the bride, Miss Muriel Nixon was bridesmaid and wore a rose beige gabardine dressmaker

lier wedding cake set in pink tulle with small roses embedded in it. White lilies-of-the-valley flanked the cake. Dean Trendell pronounced the toast to the bride.

The couple left for Calgary on honeymoon, the bride traveling in her wedding suit with a cherry red top coat and black accessories. A gardenia corsage completed her ensemble. The couple will reside in Edmonton.

In certain parts of Europe, up to a century ago, a ring worn on the little finger meant "no marriage for me."

Queen Mary Sails As Liner in July

The 2,000-passenger luxury liner Queen Mary will resume Trans-Atlantic service July 31, following reconstruction from a transport vessel, the Cunard White Star Line said yesterday. The 81,230-ton ship, fastest afloat, was taken out of service for refurbishment last September after transporting hundreds of thousands of troops during the war and thousands of war brides following it.

*You can't beat
this shopping protection!*

The protection EATON'S provides for your shopping dollar is solid and real and sincere. It simply amounts to this: no matter what you buy at EATON'S, be it fashions or furniture, pins or pianos, you can have your money back if your purchase does not thoroughly satisfy you.

That's the straight talk terms of the famous EATON Guarantee of

"Goods Satisfactory or Money Refunded"

It applies to price, to quality, to value, and performance, and is a sturdy safeguard for you against unwarranted higher prices.

Astounding to the public of 1869, but reassuring to the shoppers of 1947, the time-honoured EATON Guarantee has always been the cornerstone of our business policy. Literally millions of Canadians have agreed that nothing could be fairer!
